GODDESS AFTER

Daughter of Hellenic Machine Flying Down 8th Judge Now Sues for Separation.

ONCE WIFE OF COUNT.

Husband's Defense Is That She Misrepresented Her Physical Condition.

granddaughter of Kocokelini, Grant of Greece;" wife of the French goldess, Sofi Papaspiridi found herself at thirty deserted in a New York hotel by her husband of only eight weeks. She sued for a separation on the ground of abandonment and on discovering that her bridegroom, George A. Schroter, had gone to California, obtained an order allowing her to serve he complaint on him by advertise-

Bacon, brother-in-law of George A. Schroter, sued the Greek bride in Schroter's behalf, for an annument of their marriage on the ground that she speed of the sutomobile and saw it their marriage has physical condition to strike the man. He was too far away.

allmony and counsel fees, to-day, "fleese | The officer failed to report a descripenjoyed a happ honeymoon, but on Sept. many were in it.

5 Schroter took his bride to the Hotel The injured m. Soville and next day he abandoned her. Hood Wright Hospital, where the doc-She is in need of money for her support | tors said he had sustained a fracture and counsel fees."

of the skull and internal injuries. They
Twell, how much counsel fee do you feared he would die, as the fracture o think you ought o have?" asked Jus- the skull was compound and could not

ce O'Gorman . he easily treated.

If am only recently inducted into New Ho was unconscious, and from letters York from my Southern home," said in the pockets the doctors reported the famous North Carolinian, "and I that they believed his name was Willstandards, which are somewhat higher time ours in the South"---

Well, how much?" Why, in a recent cast I see the Court of Appeals and not seem to think the counsed fee of \$2,500 was overmuch, and that was a simple easy case compared to this say \$2,500."

Lawyer an Apt Pupil. You are an aipt pupil and have

quickly," said the Court, smiling. "Now, how much alimony?" Well, I see, by a study of recent somilar cases, that the courts reem to feur, James J. Qu look upon for about one-fifth to one-thard of a husband's income as about PORING A W. right for alimony. Now this man has a salary income of about \$12,000 a year

and owns a \$200,000 estate." . "Oh, well, now," interposed Col. gineer. He has a salary of \$4,500 a

Besides, when we have presented an affidavit setting forth the decention the woman practiced upon my brother-in-law, as to her physical condition and considering the tact that he save he about \$10,000 during their eight weeks of marriage, it will put a different face upon it all."

Eyes, it is true; he did give the Countess de Rily about \$6,000 with which to furnish a flat." said Judge Osborne; "and it is also true that she is selling that furniture to raise money to live upon."

"She has turned all that furniture curpets, rugs, threating and hangings back to the dealers, sye, even to her wedding presents, for cash. Why, then was one rug for which she got 11.00 back."

Declars, Disprove Charges.

Doctors Disprove Charges.

"As for the charges on which he bases his suit for an annulment of the marriage," said ex-Judge Osbarne, "we have caused her to be examined by several of the best physicians and we fresent the affidavits of Drs. William Tod Helmuth, Henry L. Purdy, of the Woman's Hospital, Thomas L. Dayy and others to show that those charges are wildout foundation."

Col. Bacon was given ten days in which to communicate with Schrotter who, the said, "is a four days mule team drive from civilization in Mexico, but will be back in Los Angeles. Calina week, at which time I will be able tee file affidavits." Doctors Disprove Charges.
